

Monty Manic

Email: momanic@example.com

Phone: 123-456-7890

### Objective

Dedicated Data Scientist with 3+ years of experience in Machine Learning, Data Analysis, and Python programming.

### Skills

- Python, R, SQL
- Machine Learning, Deep Learning
- Pandas, NumPy, Scikit-Learn
- Data Visualization: Matplotlib, Seaborn
- Cloud: AWS, Google Cloud

### Experience

Data Scientist – ABC Corp

- Built machine learning models to predict customer churn
- Analyzed large datasets using Python and SQL

### Education

M.S. in Data Science – XYZ University
